TRAINER'S PROFILE

LIM KOK SOON

OPERATIONAL EXCELLENCE STRATEGIST | CERTIFIED LEADERSHIP TRAINER

INTRODUCTION

Kaizen Lim Kok Soon is a seasoned Operational Excellence Strategist and Certified Leadership Trainer with over 20 years of industry experience spanning engineering, process optimization, and people development. Formerly a senior manager at Intel Kulim, Kaizen has led transformative initiatives across manufacturing, food, medical, and semiconductor sectors, consulting for more than 50 organizations nationwide.

Renowned for his multilingual fluency - English, Malay, Mandarin, Hokkien, and Cantonese - Kaizen bridges cultural and operational gaps with ease, delivering high-impact training that resonates across diverse teams. His approach integrates Lean principles, Kaizen methodologies, and holistic wellness strategies to drive measurable improvements in productivity, quality, and team cohesion.
