TRAINER'S PROFILE

HAZIZUL BIN SUHAILI
HRD CORP ACCREDITED TRAINER

INTRODUCTION

Hazizul Bin Suhaili is a certified HRD Corp Exemption Trainer and seasoned industrial safety specialist with over 15 years of operational and instructional experience across logistics, manufacturing, and engineering sectors. He is professionally accredited in multiple domains including Forklift, Overhead Travelling Crane, and Material Handling Equipment operations, backed by SKM Level 3 certification and a suite of JPK-induced credentials. Hazizul's training approach blends technical precision with real-world application, having conducted numerous competency-based programs such as BSHF, EOTC, SCL, SKL, and Reach Truck operations. His career spans roles from EHS Operation Specialist to Senior Foreman, and he currently serves as a full-time trainer with a registered HRD Corp provider, delivering high-impact, safety-driven training aligned with national occupational standards.
