TRAINER'S PROFILE

TEH CHAI SOON

HRD CORP ACCREDITED TRAINER

INTRODUCTION

Teh Chai Soon, also known as Royce Teh, is a seasoned trainer with over 17 years of experience delivering educational programs across diverse industries. He currently specializes in construction site safety and health training, equipping workers with essential knowledge to maintain safe work environments. Known for his engaging style and practical insights, Royce combines technical expertise with a passion for continuous improvement. Outside of work, he enjoys futsal and caring for cats - a reflection of his energetic and compassionate nature.
